

Growth-driven marketing professional with experience managing website content, SEO, performance, email, and CRM; especially in B2B SaaS startups. I build end-to-end strategies that connect performance and content into a coherent whole: consistent brand voice and ICP-driven messaging across every channel and touchpoint.

RELEVANT EXPERIENCE

Digital Marketing Manager	Since March 2025
Trackhawk GPS (IoT Company developing fleet GPS tracking solutions) Remote - USA	
- Lead the content strategy across website, blog, email, social media, and Amazon storefront - Build the direction for new web and landing pages, overseeing implementation with UX and dev teams - Develop the messaging for 18 industry vertical pages, translating complex GPS tech into simple VPs for blue-collar business audiences - Manage HubSpot campaigns, workflows, and nurture sequences supporting the sales team - Manage the execution of on-page SEO in collaboration with the SEO team, resulting in our hero product keyword making it to page one in SERP - Aligning social media and blog strategy with demand generation goals, increasing engagement rate by 45% contributing to TOFU lead acquisition	
Marketing Manager	From June 2024 to March 2026
Tzkrti.com (Online Ticketing Platform for Arabic Speaking Events Worldwide) Remote - France	
- Supported Tzkrti's international expansion into 8 new markets including the EU, contributing through market research, entry analysis, cross-functional coordination and a content strategy that helped drive 2X YoY ticket sales growth - Launched and grew the Tzkrti World Instagram account to 17K followers organically in under a year - Built the CRM and email marketing ecosystem from scratch, including workflows and campaigns driving ticket sales and audience retention - Drafted B2B proposals and event packages for organizers, supporting the sales team in converting and onboarding new partners - Localized messaging across international markets, improving campaign conversion rates by 25% in non-Arabic regions - Advised on website content and direction during Tzkrti's full website redesign	
MENA Marketing Manager	From November 2023 to June 2024
Ticlio Digital Activities (Gamified Data Collection Platform) - UAE	
- Built B2B outreach strategy from scratch targeting brands and agencies across 3 markets (UAE, Qatar, Bahrain), defining ICPs and value propositions for zero-party data collection at live events - Developed segmented pitch messaging across 5+ B2B segments positioning Ticlio as a data-driven audience engagement platform - Worked directly with the CEO to align go-to-market strategy with platform capabilities across the MENA region	
Strategy and Marketing Consultant	From November 2022 to November 2023
Michelin (Premium Mobility brand) France	
- Led a large-scale business opportunity study for all non European Markets, supporting scale-up plans. - Assessed market challenges and product-market fit in 22 countries for strategic decision-making. - Calculated estimated market size based on research data in each country. - Analyzed competitors and VPs to gain insights into the competitive landscape. - Created Go to Market strategies for each of the final selected countries for a pilot.	
Assistant Project Manager	From September 2019 to April 2022
Shakaa & Khatib Contracting Company Palestine	
- Supported end-to-end delivery of 3 multi-phase construction projects, coordinating across engineering teams, contractors, and clients - Prepared milestone reports and progress updates for senior leadership, translating technical details into clear business summaries - Assisted in managing cross-functional workflows across procurement, engineering, and on-site execution under deadline pressure
